

Make your point : give your arguments

Imagine you have to argue against someone called A, Read their argument and react. You are B.

- **You must give your opinion about what they say.** **/5 points**
- **You must add your own argument(s)** **/5 points**

A : « If you have an odd job you can be exploited and you can get tired »

B : « I agree that you can get tired if you work too much, however...

.....
.....

A : « I think teenagers need to sleep a lot and if you are a paper boy or a paper girl, you have to get up very early, besides you can be late for school. »

B : « You say a paper boy can be late for school, it is, however it teaches you.....

what's more
.....

A : « I don't think a teenager should already think about his/her CV. What's more, I don't think it's a good thing to focus on money to buy useless things instead on focusing on studies. »

B : « Of course, you are right : teenagers

.....However, on the one hand.....
.....

On the other hand
.....
